

Vinyl-Dipped Caps and Protectors

SHORT CAPS

Flexible vinyl Short Caps fit snugly without cracking or splitting. They have excellent insulation qualities and resist weather, moisture and chemicals. Suitable for almost any application including colour coding, thread protectors, insulators, seals, cable ends, electronic wiring, tools, decorations, masks, etc.

Hundreds of stock sizes. Others can be produced to your specs where quantities warrant.

Also available in high temperature resistant material. Hi-temp series has been used at up to 440°F for extended periods without breakdown. Minimum quantities will apply.

Part Numbers

Please use the following system for part numbers:
VSC [ID in decimals] X [Length in decimals].
For instance, a cap with ID of .062" and length of 3/8" would be part number VSC 062X.375.

Stock Sizes

Most sizes stocked in 1/2", 1" and 1-1/2" lengths. Short Caps are also available in almost any length in .062" increments with a minimum length of .187". For sizes not shown here, please see Standard Short Caps and Long Caps sections.

In-Stock Programme

The following sizes can be ordered from stock in black or red. Non-stock colours: white, blue, green, orange, yellow and gray.

Inside Diameters*	X	Inside Lengths
.062, .080, .093	X	3/8, 1/2, 3/4
.112	X	3/8, 1/2, 3/4, 1
.125, .137, .142, .156	X	1/2, 3/4, 1, 1-1/2
.172, .187, .207, .219		
.234, .250, .281, .313		
.343, .375, .406, .437		
.468, .500, .531, .562		
.625, .687, .750, .812		
.843, .875, .937, 1.000		

Stock colours: Black or red.

Inside Diameters*	X	Inside Lengths
1.062	X	1, 1-1/2
1.187, 1.375, 1.500	X	1-1/2
1.625, 1.687, 1.750,		
2.000, 2.250, 2.500, 2.750,		
3.000, 3.500, 4.000	X	1-3/4

Minimum order 1000.

***Use an undersized diameter for a tight fit.**
For example, if your outside diameter is 1/2", use a .437 cap.

LONG CAPS

Long Caps come in diameters ranging from 3/16" through 3-1/2". Most sizes are available in inside lengths up to 5-1/4", in 1/16" increments and many are available to 8" lengths. Excellent as pipe protectors, grips, caps for boiler tubes, connectors and cable end seals. Tough and durable, Long Caps are also used in many masking applications.
