

Knobs

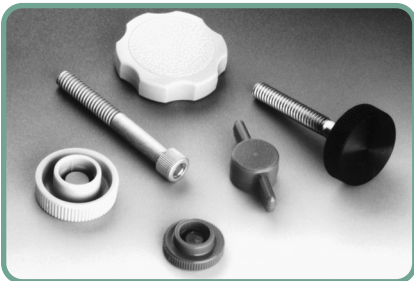

Choose from ball, tapered, tear drop, instrument, star-shaped (3, 4 or 5-point), to name just a few. You can specify smooth, knurled or fluted edges. Almost all knobs are available with either a threaded female insert or a threaded male stud. (Some styles are also offered with threaded plastic or cored hole, or are available with a set screw.) All knobs are available in a variety of sizes. The standard colour is

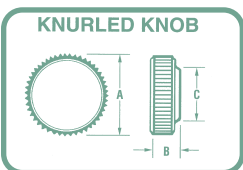

black and the standard materials are phenolic and nylon.

Fax or send us a drawing of the type of knob you want, including all the pertinent information about dimensions, materials, quantity required, etc.

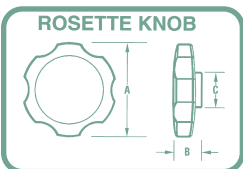

Delrin Thumb Screw Knobs

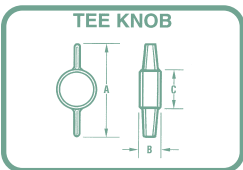

As easy as 1-2-3. Pick a head style (knurled, rosette or tee); add a standard socket head cap screw, choose your method of cold-pressing them together. Say the magic words and presto! - you've got an instant thumb screw knob.

KNURLED KNOB

ROSETTE KNOB

TEE KNOB
