

Push Mount Clamps

Can be used in a wide variety of environmental conditions and on any surface up to .080" thick. Just snap into a .250" hole and the push-mount will hold a 25 lb. continuous load and a 50 lb. impact load. Unique lock/release feature operates easily and locks securely.

Available in 94V-0 polypropylene for an additional charge. Add-V0 suffix to part number when ordering.

For use with chassis and panels .020" to .080" thick.

Part No.	A	B	C	D	E	F	Max. Bundle Diameter
029-0188	.55	1.00	.39	.38	.20	.30	3/16
