

Special Tolerances: OD and ID $\pm .015$, T $\pm .010$

Seal, insulate, absorb shock and vibration. They prevent galling and marring, and may also be used as spacers, guides, bearings, bushings, etc.

Other sizes can be tooled for moulding or stamping in any plastic. Request a quotation, specifying size, tolerance and quantity.

Retaining

Similar to our standard flat washer, but with a specially configured inside diameter designed to grip the outside of the screw shank. The washer slides on the screw easily, but is retained on the screw.

For use in applications requiring preassembly of the screw and washer to reduce final assembly cost.

Other sizes may be tooled on request.

Minimum order 1000.

Metric Nylon Flat Washers

Seal, insulate, absorb shock and vibration. They prevent galling and marring, and may also be used as spacers, guides, bearings, bushings, etc.

Other sizes can be tooled for moulding or stamping in any plastic. Request a quotation, specifying size, tolerance and quantity.
