

Purse action bundling ties offer a fast, economical way to securely position and hold wire, cable or tubing. A single twist of the finger locks bundle together; another twist opens lock to add or remove wires. The reusable Twist Lock is moulded of tough, resilient Nylon 6/6 (UL 94V2). The following standard sizes are available from stock in natural nylon. Dyed colours can be furnished for an additional charge. Other sizes can be tooled on request.
